## Floral Design

Big enchanting blooms are our favorite and in January of 2019 we will begin designing all of our flowers in-house! It's our hope that our style of romantic, loose, and natural floral design appeals to your aesthetic. We like to incorporate large romantic blooms, twisty vines, and branches, the very types of foliage you would find growing in the wild. We will be sourcing flowers from around the globe, as well as working closely with local flower farmers. Our large and ever-growing collection of Chinoiserie ginger jars, vases, and vintage urns, and compotes offers a marvelous selection of vessels to contain your unique floral designs.
